Alternative Farming Systems Information Center

Periodicals Pertaining to Alternative Farming Systems

September, 1991

All the journals with call numbers given are held in the NAL general collection. Certain newsletters, however, are received and kept in the Alternative Farming Systems Information Center's office, where they are easily and frequently consulted; these publications are listed without call numbers.

Titles selected range from publications with infrequent articles relating to alternative farming systems to those devoted exclusively to promoting sustainable farming practices. **To see copies, contact your local public or university library.** For subscriptions or other information, contact the publisher at the address given.

Wherever possible, information given has been taken from the publication itself or obtained by contacting the person or persons responsible.

KEY TO LISTINGS:

TITLE * = indexed selectively in AGRICOLA(or)

TITLE** = indexed cover-to-cover in AGRICOLA
